

Dear European Pain Community,

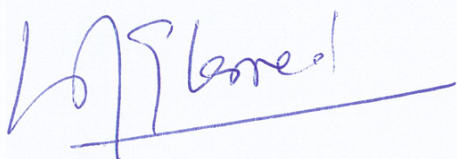

As a clinician working in pain management, you know how important it is to stay informed about recent developments in the field of pain and stay connected with your peers from all over the world. That's why we would love for you to join us at the EFIC Congress - Pain in Europe XIV, taking place from 24-26 April in Lyon, France.

Here are the main reasons why #EFIC2025 is a must for clinicians like you:

- Achieve practical skills: Learn techniques you can immediately apply to improve patient care through hands-on workshops.
- Meet renowned experts: Hear directly from leaders in pain management who understand the realities of patient care.
- Hear latest guidelines: Stay ahead with updates on clinical guidelines and treatment pathways.
- Make meaningful connections: Network with peers who share your commitment to improving patient outcomes.
- Learn from other professions: Discover new approaches to managing complex cases and advancing your practice.
- Gain CME credits: Earn valuable continuing medical education credits while expanding your knowledge.

Whether you're a seasoned EFIC Congress attendee or it's your very first time, this is your opportunity to be part of the largest international scientific meeting on pain in 2025. Register now to secure your spot and join the European Pain Community in Lyon this year.

Looking forward to welcoming you there,

Luis Garcia-Larrea

President
